A First Aid Kit will be available at both the fields (in the buggy), and at the Administration Area. Ice is also available for the immediate treatment of injuries. A defibrillator will also be available at the Administration Area of the Clubhouse.

Please note that tape and strapping from the Medical Kit will only be made available for the treatment of injuries, and it is not to be made available for any other purpose.

All injuries must be reported to the Game referees with the details of the injury noted on the back of the scorecard. Players who wish to do so will then be directed to submit a claim online via the [TFA National Insurance Scheme](#).

Touch Football Australia and Sportscover remain committed to providing the touch football community with a National Insurance Scheme for all registered members. Whilst the policy provides basic levels of cover for players and others participating in Touch Football, it is not all encompassing and does not seek to replace the need for private health and other insurances. The TFA National Insurance Scheme webpage and resources are provided so that Players and Affiliate Administrators throughout Australia may have immediate access to the policy benefits and procedures of the insurance program. Please visit the [TFA Website](#) for policy details.
